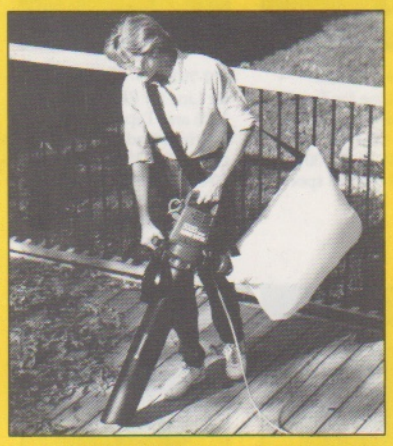
WEED EATER®

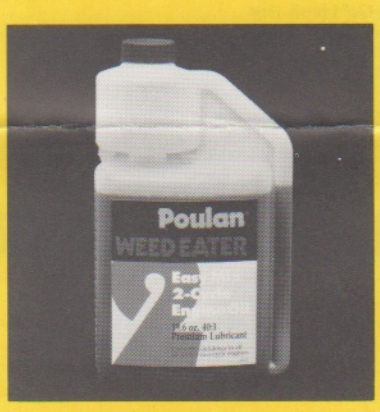
Weed Eater® Gutter Attachment fits all Weed Eater brand blowers and blower/vacs (except RB 90 Cordless). The kit, which includes extension tubes, swivel tube and U-nozzle allows you to reach into gutters and concentrate airflow from the safety of the ground.



Vacuum Attachment provides extra versatility for your Weed Eater blower by converting it to a powerful vacuum. Fits Model 2540 electric and GBI 22 gas-powered units.

Flex Vac Attachment converts Model 2560 (electric) and GBI 22V and 30V (gas-powered) blower/vacs to a workshop-type vacuum that allows you to get into tight spots and offers more maneuverability. Includes adapter, flexible hose, crevice tool, floor tool with brush and tubes. Does not include vacuum bag.

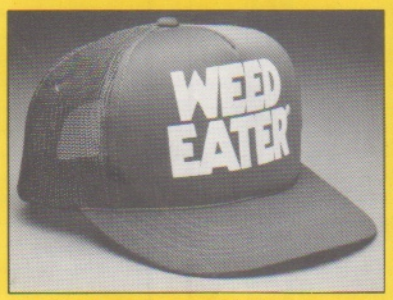
Tinted protective eyewear shields your eyes from debris. Doubles as sunglasses. One size fits all.



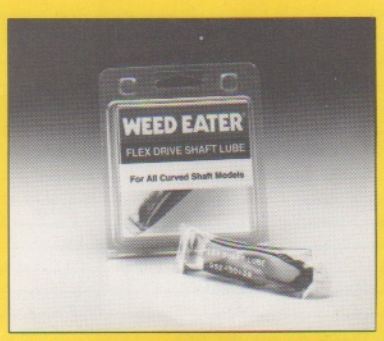
Keep your Weed Eater gas-powered products running smooth. 19.6 oz. Easy Mix™ 2-cycle engine oil with E-Z Measure™ chamber makes 6 gallons of fuel mix.

Lightweight leg guards protect ankles and lower legs against debris. One size fits all.

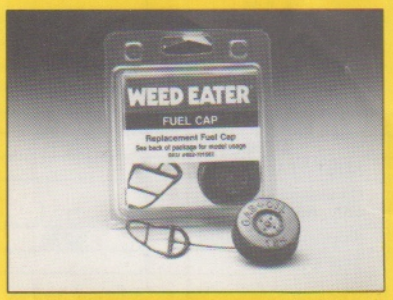
Edger Replacement Blades for use on electric and gas edgers. 7.5" tempered steel blade for Models E125 BT and E150 BT. 6" tempered steel blade for Model E75. 8.5" tempered steel blade for Model GE21.



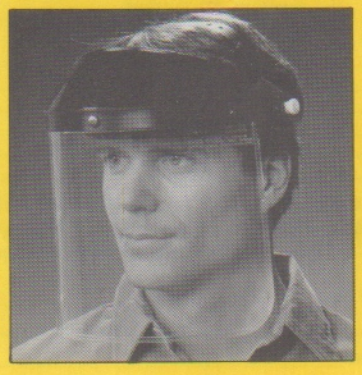
Beat the heat with a comfortable, casual Weed Eater cap. One size fits all.



Flex shaft lube is 1/2 fluid ounce specially-formulated lubricant to assure smooth operation of your gas-powered trimmer. For use with all flexible drive shaft trimmers.



Fuel cap with retainer fits all Weed Eater gas-powered trimmers, blowers and edgers.



The Weed Eater face shield provides full face protection for lawn care. Cooler to wear than safety goggles. Also for wear during other homeowner jobs. One size fits all.

Use these convenient pre-wound spools to easily replace empty spools. No winding required.

Weed Eater maintains a national network of retailers who stock and sell Weed Eater accessories. We recommend seeing your local Weed Eater retailers for your accessory needs. However, for those customers who cannot locate replacement items locally, these items are available direct from the manufacturer. Use the convenient order form below.
